Commissioner of Land Revenue and Irrigation.

Read the following.-

Letter from W. Scott Brown Esq.,C.I.E.,I.C.S., Collector of Bellary, Ref.No. 68/39-H.1 dated 12-1-39.

Letter from A.D. Crombie Esq.,C.I.E.,I.C.S., Collector of Bellary, D.Dis.No. 68/39 dated 15th March 1940.

Reference.-

The Collector of Bellary reports that during the Town Survey of Bellary 100 ground rent cases in the Bellary town were not measured and incorporated in the Town Survey records; as complete records were not then available to enable them to be localised. He states that in most of these cases the ownership

of houses has changed hands and the grantees are dead. Out of 100 cases the records are available only in 33 cases and of them sketches are forthcoming in 15 cases only. 37 cases are said to be in R.S.No. 56. But the taluk ground rent -- register and the village diglott register do not show any ground rent cases in R.S.No. 56. Evidently old No. 56 is a mistake. In 50 cases as of the records are reported to be not traceable and in 17 authority for assignment is -- available but the records are missing. The investigation of the ground rent cases in such circumstances is a laborious task and at times the enquiry of one case may occupy a day or two. The Collector therefore requests that a Revenue Inspector with one peon may be appointed for the work for a period of 2 months. The Board recommends the Collector's proposal. The Revenue Inspector and the peon need not be granted any Travelling Allowance as both of them will work in the Municipal limits of the Bellary town.

2. The expenditure will be debited to "25 General -- Administration - District Administration - Taluk establishments - pay of establishments - Voted or authorised" and a reappropriation or an application for additional allotment will be made in due course. if necessary.
